## Why We Support Family & Children's Services

The Newton Eastwood Dietrich Wealth Advisory Group at BMO Nesbitt Burns takes pride in assisting family's in our community. That's why each year, through various donations and sponsorships, we are committed to supporting groups like the Family and Children's Services of Guelph and Wellington County. Through supporting the post-secondary education initiative we provide an opportunity that may not otherwise exist for students eager to expand their knowledge and skills in preparation of a better life.

Our team is focused on the big picture and committed to helping manage your wealth, over time and across generations. We work with families to establish a financial plan and retirement strategy that puts them on the path to success. And that path started with a simple conversation that became a relationship.

Together, we can build your plan to achieve your vision of tomorrow.

Come talk to us about our custom-tailored approach and experience the difference.
